

Install the OverDrive Media Console App on Your NOOK Color, Tablet, HD and HD+

Users of a NOOK Color, Tablet, HD and HD+ can borrow eBooks and audiobooks wirelessly using the OverDrive app. You can find the app in the NOOK app store.

How to Install the OverDrive Media Console app

Before you can install the OverDrive Media Console app from the NOOK store, make sure your NOOK is registered and set up with a credit card on your account. If you need help with that, contact Barnes & Noble or check their NOOK support page online.

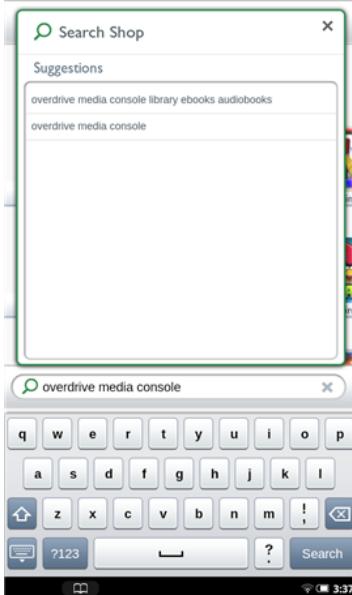

1. From your NOOK's home page, push the **n** button then tap **apps**.

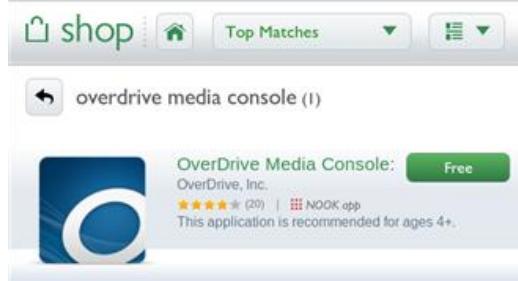

2. Tap the **SHOP NOW** link near the top of the screen.

3. Type **OverDrive Media Console** into the search bar then tap **Search**.

4. Tap **Free** then **Confirm**.

5. The OverDrive Media Console is now added to your NOOK. Go back to your **apps** screen and tap the OverDrive Media Console icon to get started.
